Dear Sameer Kalaliya,

The Australian Communications and Media Authority has approved Biteperk Pty Ltd to participate in the SMS Sender ID Register.

We will contact you shortly to advise if your sender ID BitePerk has been registered.

This decision has been made by the operation of computer programs.

Regards,
Australian Communications and Media Authority

The SMS Sender ID Register is a government initiative, operated by the ACMA. The register will reduce SMS/MMS scams that include sender IDs and establish a safer communications channel for the Australian community.

For more information about the register go to: <https://www.acma.gov.au/sms-sender-id-register-user-guides-and-fact-sheets>.

If you have any questions, please contact senderIDregister@acma.gov.au.
