How it works

1

Keep your number

Customers call you exactly as they do today — or add a dedicated booking line.

2

Bella answers

Books the table, answers questions, or takes a message. She never guesses.

3

You see everything

Bookings and transcripts appear live in your dashboard. You stay in control.

Set it up your way

Every call or just the missed ones · your number or a new one · your greeting, your rules.

- ✓ Australian data residency
- ✓ Privacy Act compliant
- ✓ Sydney-based support, 7 days
- ✓ No lock-in — month to month

Simple flat monthly plan — free first week, no per-call fees.
